If a vacancy should occur in the Office of Precinct Councilor or Councilor at-large, within ninety (90) days prior to the next Annual City Election, it shall remain vacant until that election. Otherwise, the Council President with the advice of the committee chairs may fill that seat by appointing a person residing in that precinct (not applicable for those elected at-large) for which a vacancy exists, subject to a two-thirds vote of the Councilors present, to serve until the next Annual City Election, at which time a person shall be elected to fill the unexpired term.\*

\*Cross reference 3 (b) – Need additional language/provision to describe how Council appoints/votes for new Council President and Vice President (as was discussed at the June 23, 2020, Charter Review Committee meeting.)

The Mayor shall cause the Charter, the laws, the ordinances and other orders for the government of the City to be enforced, and shall cause a record of all official acts of the executive branch of the City to be kept.

(b) The Mayor shall exercise a general supervision and direction over all City agencies, unless otherwise provided by general law, by the Charter or by ordinance. Each City agency shall furnish to the Mayor, forthwith upon request, any information, materials or otherwise as the Mayor may request and as the needs of the office and the interest of the City may require.

(c) The Mayor shall be the chief procurement officer for the City responsible for buying, purchasing, renting, leasing, or otherwise acquiring all supplies and all services for all departments and all activities of the City and including all functions that pertain to the obtaining of a supply or a service, including description of requirements, selection and solicitation of sources, preparation and award of all contracts and all phases of contract administration. The Mayor may delegate all or any portion of such powers and duties to a subordinate officer, but no such delegation shall in any way absolve the Mayor from the ultimate responsibility for all procurement activities.

(d) The Mayor shall supervise, direct and be responsible for the efficient administration of all City activities and functions placed under the control of the Mayor by general law, by this Charter, by ordinance or otherwise. The Mayor shall be responsible for the efficient and effective coordination of the activities of all agencies of the City of Greenfield and for this purpose shall have the authority to call together for consultation, conference and discussion at all reasonable times all persons serving the City, whether elected directly by the voters, chosen by persons elected directly by the voters, or otherwise.

(e) The Mayor shall hold no other City office or City employment for which a salary or other emolument is payable from the City treasury. No former Mayor shall hold any compensated appointed City office or City employment until one (1) year following the date on which such former Mayor's City service has terminated. This provision shall not prevent a City officer or other City employee who has taken a leave of absence in order to serve as Mayor from returning to the same office or other position of City employment held at the time such leave of absence commenced; provided, however, no such person shall be eligible for any other municipal position until at least one (1) year following the termination of service as Mayor.

(f) The Mayor shall be, by virtue of office, a member of every multiple member body of the City. The Mayor shall have a right, as such ex-officio member, to attend any meeting of any multiple member body of the City, at any time, including, so called, executive sessions, to participate in the discussions, to make motions and to exercise every other right of a regular member of such body, but not including the right to vote.

### SECTION 3-3: APPOINTMENTS BY THE MAYOR

(a) The Mayor shall appoint, subject to the review of such appointments by the City Council as provided in section 2-10, all City officers, department heads and the members of multiple-member bodies for whom no other method of appointment or selection is provided by the Charter, excepting only persons serving under the School Committee, and persons serving under the City Council. Except as may otherwise be required by the civil service law, and in this Charter, appointments made by the Mayor shall be for indefinite terms. All persons categorized as department heads shall, subject to the consent of the Mayor, appoint all assistants, subordinates and other employees of the agency for which such person is responsible.

(b) All appointments and promotions made by the Mayor shall be made on the basis of merit and fitness demonstrated by examination, past performance, or by other evidence of competence and suitability. Each person appointed to fill an office or position shall be a person especially fitted by education, training and previous work experience to perform the duties of the office or position for which chosen.

(c) The Mayor shall appoint four (4) members of the Greenfield Redevelopment Authority<sup>1</sup> and Housing Authority, subject to confirmation by the City Council, consistent with General Laws (MGL c. 121B, ~ 5).

(d) The Mayor shall appoint 5 members of the Board of Trustees for Soldiers' Memorials, subject to confirmation by the City Council, consistent with section 105 of chapter 41 of the General Laws.

#### SECTION 3-4: REMOVAL OR SUSPENSION OF CERTAIN OFFICIALS

(a) *City Officers and Department Heads* - The Mayor may, in writing, remove or suspend any City officer, or the head of any City department appointed by the Mayor, by filing a written statement, with the City Clerk, setting forth in precise detail the specific reasons for such removal or suspension. A copy of the written statement shall be delivered in hand, or mailed by certified mail, postage prepaid, to the last known address of the said City officer, or head of a department. The said City officer, or head of a department, may make a written reply by filing such a reply statement, with the City Clerk, within ten (10) days following the date the statement of the Mayor has been filed; but, such reply shall have no effect upon the removal or suspension unless the Mayor shall so determine. The decision of the Mayor in suspending or removing a City officer or a department head shall be final, it being the intention of this provision to vest all authority and to fix all responsibility for such suspension or removal solely in the Mayor. The removal shall take effect on the 30th day following the date of filing by the Mayor of the notice of removal in the office of the City Clerk.

(b) *Other City Employees* - Unless some other procedure is specified in a collective bargaining agreement or by the provisions of the Civil Service Law, a department head may suspend or remove any assistant, subordinate or other employee of the agency for which such person is responsible in accordance with the procedures established for suspension and removal in the personnel ordinance. The decision of the department head to suspend or remove any assistant, subordinate or other employee shall be subject to review by the Mayor. A person for whom a department head has determined a suspension or removal is appropriate may seek review of such determination by the Mayor by filing a petition for review, in the office of the Mayor, in writing, within ten (10) days following receipt of notice of such determination. The review by the Mayor shall follow the procedures established for suspension and removal in the personnel ordinance. The decision of the Mayor shall be final, it being the intention of this provision to vest all authority and to fix all responsibility for such suspension or removal solely in the Mayor. Nothing in this section shall be construed to be a bar to any other review as may be provided by general law.

The Mayor shall file a certificate in substantially the following form, with the City Clerk, whenever a person is designated under this section:

I certify that said person is qualified to perform the duties which will be required and that I make this designation solely in the interests of the City of Greenfield."

(signed) Mayor

Persons serving as temporary officers under the authority of this section shall have only those powers of the office as may be necessary to the conduct of the business of the City in an orderly and efficient manner and which may not be delayed. No acting City officer shall have authority to make any permanent appointment or removal from City service. No temporary appointment shall be for more than thirty (30) days and not more than two (2) renewals of a temporary appointment may be made when a permanent vacancy exists in the office.

#### SECTION 3-6: COMMUNICATIONS; SPECIAL MEETINGS

(a) *Communications to the City Council* - Within ten (10) weeks following the start of each fiscal year the Mayor shall submit to the City Council, and make available for public distribution, a complete report on the financial and administrative activities of the City for the preceding fiscal year. The Mayor shall, from time to time throughout the year, by written communications, recommend to the City Council for its consideration such measures as, in the judgment of the Mayor, the needs of the City require. The Mayor shall, from time to time throughout the year, but at least quarterly, by written communications, keep the City Council fully informed of the financial and administrative condition of the City and shall specifically indicate in any such reports any fiscal, financial or administrative problems of the City.

A copy of each such notice shall, forthwith, be posted on the City bulletin board.

#### SECTION 3-7: APPROVAL OF MAYOR; EXCEPTION (VETO)

Every order, ordinance, resolution or vote adopted or passed by the City Council relative to the affairs of the City, except memorial resolutions, the selection of City officers by the City Council and any matters relating to the internal affairs of the City Council, shall be presented to the Mayor for approval. If the Mayor approves of the measure the Mayor shall sign it; if the Mayor disapproves of the measure, the Mayor shall return the measure, with the specific reason or reasons for such disapproval attached thereto, in writing, to the City Council. The City Council shall enter the objections of the Mayor on its records, and not sooner than ten (10) days, nor after thirty (30) days from the date of its return to the City Council, shall again consider the same measure. If the City Council, notwithstanding such disapproval by the Mayor, shall again pass the order, ordinance, resolution or vote by a two-thirds vote of the full Council, it shall then be deemed in force, notwithstanding the failure of the Mayor to approve the same. If the Mayor has neither signed a measure nor returned it to the City Council within ten (10) days following the date it was presented to the Mayor, the measure shall be deemed approved and in force.

#### SECTION 3-8: TEMPORARY ABSENCE OF THE MAYOR

(a) *Acting Mayor* - The Mayor shall, by a letter filed with the City Council and a copy filed with the City Clerk, designate a qualified City officer or City employee to exercise the powers and perform the duties of the office during the temporary absence of the Mayor for periods of less than ten (10) business days and to serve only when the needs of the City require and only to the extent necessary under the then circumstances.

Whenever, by reason of sickness, absence from the City or other cause, the Mayor shall be unable to perform the duties of the office for a period of ten (10) successive business days, or more, the president of the City Council shall be the acting Mayor. In the event of the absence or disability of the president of the City Council, the Vice-president of the City Council shall serve as acting Mayor.

(b) *Powers of Acting Mayor* - The acting Mayor shall have only those powers of the Mayor as may be necessary to the conduct of the business of the City in an orderly and efficient manner and which may not be delayed. The acting Mayor shall have no authority to make any permanent appointment or removal from City service unless the disability of the Mayor shall extend beyond sixty (60) days nor shall an acting Mayor approve or disapprove of any measure adopted by the City Council unless the time within which the Mayor must act would expire before the return of the Mayor. During any period in which any member of the City Council is serving as acting Mayor, such Councilor shall not vote as a member of the City Council.

#### SECTION 3-9: VACANCY IN OFFICE OF MAYOR

(a) *Special Election* - If a vacancy in the office of Mayor occurs in the first 39 months of the term for which the Mayor is elected, whether by reason of death, resignation, removal from office, or otherwise, the City Council shall forthwith order a special election, to be held within

ninety (90) days following the date the vacancy is created, to fill such vacancy for the balance of the then unexpired term.

(b) *Council Election* - If a vacancy in the office of Mayor occurs in the last nine (9) months of the term for which the Mayor is elected, whether by reason of death, resignation, removal from office, or otherwise, the president of the City Council shall become the Mayor. Upon the qualification of the president of the City Council as the Mayor, under this section, a vacancy shall exist on the City Council, which shall be filled in the manner provided in section 2-11.

(c) *Powers, Term of Office* - The Mayor elected under section 3-9(a) or (b) shall have all the powers of the Mayor. A person elected pursuant to subsection (a), above, shall serve for the balance of the term unexpired at the time of election to the office. A person chosen pursuant to subsection (b), above, shall serve until the next regular election at which time the person then elected shall serve as Mayor.\*

\*Entire section needs to read consistently with other similar provisions – ie: Council. (as was discussed at the June 23, 2020, Charter Review Committee meeting.)

## ARTICLE 4 SCHOOL DEPARTMENT

### SECTION 4-1: SCHOOL COMMITTEE<sup>2</sup>

(a) *Composition, Term of Office* - There shall be a School Committee, which shall consist of seven (7) members. Six (6) of these members shall be nominated and elected by and from the voters of the City at large. The Mayor shall serve, by virtue of office, as the seventh member of the School Committee with all of the same powers and duties as the members elected by the voters as School Committee members, **including, but not limited to, be a voting member of committees and have eligibility to be Chair of the School Committee.**

(b) *Term of Office* - The term of office for the 6 members of the school committee elected by the voters shall be for 4 years each, with staggered terms, beginning on the first business day of January after the City Election and continuing until the school committee member's successor has been qualified.

<sup>2</sup>Editor's Note: See also Art. III, School Committee, of Ch. 34, Boards, Committees and Commissions, of the Code of the City of Greenfield.

- (a) *Election and Term* – As soon as practicable after the school committee members-elect have been qualified following each City Election or on the first business day of the new year, as provided in section 8-8, the school committee shall organize by electing 1 of its members to serve as school committee chair and 1 of its members to serve as school committee vice-chair for the ensuing year.

- (c) *Vice-Chair* - The vice chair of the School Committee shall serve as acting chair during the temporary absence or disability of the School Committee chair during the ensuing term of office. #### SECTION 4-3: PROHIBITIONS

No person elected as a School Committee member shall hold any other City office or City employment for which a salary or other emolument is payable from the City treasury. No former member of the School Committee shall hold any compensated appointed City office or City employment until one (1) year following the date on which such member's service on the School Committee has terminated. This provision shall not prevent a City officer or other City employee who has taken a leave of absence in order to serve as a member of the School Committee from returning to the same office or other position of City employment held at the time such leave of absence commenced; provided, however, no such person shall be eligible for any other municipal position until at least one (1) year following the termination of service as a member of the School Committee.

#### SECTION 4-4: COMPENSATION; EXPENSES

- (a) *Salary* - The members of the School Committee, excepting the Mayor, may receive an annual salary.
- (b) *Further salary* - The members of the School Committee may receive such salary for their services as may from time to time be set by ordinance.

#### SECTION 4-5: SCHOOL COMMITTEE POWERS AND DUTIES

The powers and duties of the School Committee shall include the following:

(a) To elect a Superintendent of the Schools who shall be charged with the day-to-day administration of the school system, subject only to policy guidelines and directives adopted by the School Committee and upon the recommendation of said Superintendent.

(b) To make all reasonable rules and regulations for the management of the public school system and for conducting the business of the School Committee as may be deemed necessary or desirable.

(c) To adopt and to oversee the administration of an annual operating budget for the school department, subject to appropriation by the City Council.

#### SECTION 4-6: FILLING OF VACANCIES

*Filling of Vacancies by School Committee* - Whenever a vacancy shall occur in the office of School Committee member, the vacancy shall be filled by the remaining members of the School Committee. Persons elected to fill a vacancy by the School Committee shall serve only until the next regular election at which time the vacancy shall be filled by the voters and the person chosen to fill such vacancy shall forthwith be sworn and shall serve for the remainder of the unexpired term of the vacated seat. Persons serving as School Committee members under this section shall not be entitled to have the words "candidate for re-election" printed against their names on the election ballot. In the event of an impasse, the president of the City Council shall have a vote.\*

*\*Needs review and re-draft similar to the Council provisions. (as was discussed at the June 23, 2020, Charter Review Committee meeting.)*

### ARTICLE 5 FINANCE AND FISCAL PROCEDURES

#### SECTION 5-1: FISCAL YEAR

The fiscal year of the City shall begin on the first day of July and shall end on the last day of June, unless another period is required by general law.

## SECTION 5-2: SCHOOL COMMITTEE BUDGET

(a) *Public Hearing* - At least twenty-one (21) days before the meeting at which the School Committee is scheduled to vote on its final budget request, the School Committee shall cause to be published in a local newspaper a general summary of its proposed budget. The summary shall specifically indicate any major variations from the current budget and the reasons for such changes. The notice shall further indicate the times and places at which complete copies of the proposed budget are available for examination by the public, and it shall indicate the date, time and place [not less than seven (7) nor more than fourteen (14) days following such publication], when a public hearing will be held by the School Committee on the proposed budget. The School Committee shall not take its final vote on its proposed budget until all persons who desire to be heard concerning the budget proposal have had a reasonable opportunity to be heard.

(b) *Submission to Mayor* - The proposed budget adopted by the School Committee shall be submitted to the Mayor at least twenty-one (21) days before the date the Mayor is required to submit a proposed City budget to the City Council, to allow the Mayor sufficient time within which to consider the effect the school department's requested appropriation will have upon the total City operating budget the Mayor is required to submit to the City Council under this article.

The action of the School Committee in adopting the proposed budget, following the public hearing, shall be summarized and the results of a roll call vote taken on each amendment to the proposed budget as may be offered shall be recorded.\*

\*You are the experts on wording. The budget for the past few years has not been seen by the school committee prior to public printing. This year a budget committee was reinstated. To the best of my understanding, they are still not seeing the budget. Ways and means and city Council will probably never see this year's budget in full until we begin the budget process for fiscal year 2022. I do not know if it is possible for a change in language to the section so that oversight, at the very least, by all the school committee members is mandated. The SC budget subcommittee does not report its budget to entire school committee prior to submission. I ask that you might adjust language concerning this. (as submitted by Councilor Desorgher August 5,2020.)

## SECTION 5-3: SUBMISSION OF BUDGET AND BUDGET MESSAGE

Not later than ninety (90) days before the start of the City 's fiscal year, the Mayor shall submit to the City Council a proposed operating budget for the ensuing fiscal year with an accompanying budget message and supporting documents. The Mayor shall simultaneously provide for the publication in a local newspaper of a notice and a general summary of the proposed budget. The summary shall specifically indicate any major variations from the current operating budget and the reason for such changes. The notice shall further indicate the times

and places at which complete copies of the proposed operating budget for the City are available for examination by the public.

#### SECTION 5-4: BUDGET MESSAGE

The budget message of the Mayor shall explain the budget for all City agencies both in fiscal terms and in terms of work programs. It shall outline proposed financial policies of the City for the ensuing fiscal year, describe important features of the budget, indicate any major variations from the current fiscal year in financial policies, expenditures and revenues together with the reasons for such changes, summarize the City's debt position and include other material as the Mayor deems desirable, or as may be required by the provisions of a City ordinance.

#### SECTION 5-5: THE BUDGET

The proposed operating budget shall provide a complete financial plan for all City funds and City activities for the ensuing fiscal year. Except as may otherwise be required by general law, or this Charter, it shall be in the form which the Mayor deems desirable or as a City ordinance may require. In the presentation of the budget, the Mayor shall utilize modern concepts of fiscal presentation so as to furnish an optimum level of information and the best financial control. The budget shall show in detail all estimated income from the proposed property tax levy and from all other sources and all proposed expenditures, including debt service, for the fiscal year. The budget shall be arranged to show the actual and estimated income and expenditures for the previous, current and ensuing fiscal years and shall indicate in separate sections:

1. Proposed expenditures for current operations during the ensuing fiscal year, detailed by City agency and position, in terms of work programs, and the method of financing such expenditures;
2. Proposed capital expenditures during the ensuing fiscal year, detailed by City agency, and the proposed method of financing each such capital expenditure;
3. The relationship of each proposed capital expenditure to the capital improvement program required to be submitted under section 5-10; and
4. Estimated surplus revenue and free cash at the end of the current fiscal year, including estimated balances in any special accounts established for specific purposes.

#### SECTION 5-6: ACTION ON THE BUDGET

(a) *Review* – The City Council shall consider, in open public meetings, the detailed expenditures proposed for each City agency and may confer with representatives of each such agency in connection with its review and consideration. The City Council may require the Mayor or any other City agency to furnish it with such additional information as it may deem necessary to assist it in its review and consideration of the proposed operating budget.

(b) *Public Hearing* - Not less than 5 days before it is scheduled to vote on its final budget request, the City Council shall publish a summary of the proposed budget stating the time and place in which a public hearing on the proposed operating budget as submitted by the Mayor will be held.

(c) *Action by City Council* - The City Council shall adopt the budget, with or without amendments, within 60 days after it receives the proposed budget. In amending the budget, the City Council may increase or decrease amounts and expenditures as allowed under section 32 of chapter 44 of the General Laws. If the City Council fails to take any action with respect to any item in the proposed budget within 60 days after it receives the proposed budget, such amount shall, without any action by the City Council, become a part of the appropriations for the ensuing fiscal year and shall be available for the purposes specified.

#### SECTION 5-7: SUPPLEMENTARY BUDGETS; OTHER APPROPRIATIONS

(a) *Intradepartmental Transfers* - With the approval of the Mayor, funds appropriated for one (1) line item within the appropriation made for a particular municipal agency may be transferred to another line item within the same municipal agency. Whenever such a transfer is

(b) by the Mayor, notice of the transfer and the circumstances under which such transfer was deemed advisable shall be filed with the Clerk of the City Council.

(b) *Interdepartmental Transfers* - With the approval of the City Council, funds appropriated to the use of 1 municipal agency may be transferred to the use of another municipal agency as provided in this section.

The City Council may, by majority vote, on recommendation of the Mayor, transfer within the last 2 months of a fiscal year or during the first 15 days of a new fiscal year to apply to the previous fiscal year, an amount appropriated for the use of any department; provided, however, that no transfer shall be made at any other time of any amount appropriated for the use of a City department to the appropriation for any other department except by a 2/3 vote of the City Council; and provided further, that the City Council shall, by ordinance, provide a procedure governing such requests, which shall include at least 2 readings and a public hearing by the City Council and it shall specify the circumstances under which notice by publication in a newspaper shall be required. A request for a transfer of funds from 1 municipal agency to another shall be made by the Mayor, in writing, to the City Council and shall include a statement setting forth the reason the additional funds are needed by the agency to which it is proposed they be transferred. The request shall be accompanied by a certificate, signed by the finance director, accountant and head of the agency from which the appropriation is proposed to be taken, that such transfer will not prevent that agency from performing its vital functions.

The City Council shall hold a public hearing prior to its approval. Notice of the hearing shall be posted or published at least 5 days prior to the vote in accordance with the City ordinance governing such requests.

(c) *Appropriation* - Whenever the Mayor shall submit to the City Council a request for a new appropriation of any sum of money, either a supplement to some item in the annual operating budget or for an item, or items, not included in the annual operating budget as adopted, the City Council shall not act upon such request until it has (1) given public notice of the request, and (2) held a public hearing concerning such request. The City Council shall, by ordinance, determine the level of appropriation request above which amount newspaper publication will be required and below which amount posting on the City bulletin boards will be sufficient.

#### SECTION 5-8: ALLOTMENTS

(a) On or before August first of each year, or within ten (10) days after the approval of the City Council and the Mayor of the annual appropriation order for such fiscal year, whichever shall occur later, the City officials in charge of departments or agencies, including the Superintendent of Schools for the school department, shall submit to the Chief Financial Officer, with a copy to the City Clerk, in such form as the Chief Financial Officer may prescribe, an allotment schedule of the appropriations of all categories included in said budget, indicating the amounts to be expended by the department or agency for personnel and for every other budget category during each of the fiscal quarters of said fiscal year, or such shorter time periods as the Mayor or Chief Financial Officer may prescribe.

(b) Whenever said Chief Financial Officer determines that any department or agency, including the school department, will exhaust or has exhausted its quarterly or shorter time period allotment and any amounts unexpended in previous periods, he shall give notice in writing to such effect to the department head, the Mayor, the City Attorney, and to the City Clerk who shall forthwith transmit the same to the City Council. Upon such a determination and notice thereof, said Chief Financial Officer shall provide such officers additional reports on at least a monthly basis indicating the status of such accounts.

(c) The Mayor, within seven (7) days after receiving such notice, shall determine whether to waive or to enforce such allotment. If the allotment for such period is waived or is not enforced, as provided above, the department or agency head shall reduce the subsequent period allotments appropriately. If the allotment for such period is enforced or not waived, thereafter the department, on such a schedule to be approved by the Mayor and Chief Financial Officer, shall so adjust expenditures to eliminate the deficit. All actions, notices, and decisions provided for in this section shall be transmitted to the City Council and the City Clerk within seven (7) days.

(d) No expenses earned or accrued, within any department, shall be changed to or paid for such department's or agency's allotment of a subsequent period without approval by the Mayor, except for subsequently determined retroactive compensation adjustments, approval of a payroll for payment of wages, or salaried or other personnel expenses. If the continued payment of wages, salaries or other personal expenses is not approved in a period where a department head has exhausted the period allotment or allotments as specified above, or, in any event if a department has exceeded its appropriation for a fiscal year, the City shall have no obligation to pay such personnel cost or expense arising after such allotment or appropriation has been exhausted.

#### SECTION 5-9: PERSONAL LIABILITY FOR EXPENDITURES IN EXCESS OF APPROPRIATIONS

(a) No official of the City of Greenfield, except in the case of an emergency involving the health and safety of the people or their property, shall intentionally expend in any fiscal year any sum in excess of the appropriations duly made in accordance with law, nor involve the City in any contract for the future payment of money in excess of such appropriations. It is the intention of this section that the provisions of MGL c. 44, ~ 31, shall be strictly enforced.

(b) Any official who violates the provisions of this section shall be personally liable to the City for any amounts so expended to the extent the City does not recover such amounts from the person to whom such sums were paid.

#### SECTION 5-10: CAPITAL IMPROVEMENT PROGRAM

(a) The Mayor shall submit a capital improvement program to the City Council at least one hundred twenty (120) days before the start of each fiscal year. The capital improvement program shall be based on material prepared by the capital improvement program committee established by ordinance. It shall include:

1. A clear and concise general summary of its contents;
2. A list of all capital improvements proposed to be undertaken during the next ensuing five (5) years, with supporting information as to the need for each capital improvement; cost estimates, methods of financing and recommended time schedules for each improvement; and,
3. The estimated annual cost of operating and maintaining each facility and piece of major equipment involved.

(b) This information is to be annually revised by the Mayor with regard to the capital improvements still pending or in the process of being acquired, improved or constructed.\*

It is my understanding that we have not received a capital plan from one department for several years. A capital request is sent to council but this department has not been submitting five-year long-term plan. This is HEARSAY and I have not attended any capital improvement meetings as I do not serve on this committee. I do know factually that no supporting information was submitted to ways and means this year, ahead of time by this particular department . Perhaps something like no capital improvements will be granted without accompanying explanations and long term plan. Moreover on SECTION 5 -10, I am quite concerned about the procedure in general. Request are submitted to ways and means and then approved (or not) by City Council. First a temporary BAN is done, then the city bonds for the money. Is there a way, we could stipulate that RFP must be done by a certain date... or some other language. You all have superior writing skills. IMHO, this section needs tightening. As an example, we approved a heating system for over \$500,000. No RFP was sent and we have bonded for money. This appropriation was pre COVID 19. Money was approved January for this project. RFP date is questionable. Children may not return to school in September. We approved capital expenditure for fence and parking lot paving at Newton school. It is a dangerous disgrace. All paving needs to be done before it gets cold. Might you be able to insert language concerning follow up time frames and RFPs, so that our town Is not bonding for money within a tax year that we will not use. I do know this is an impossibly difficult year. My language here could be clearer.... but I hope you see the intent. I do not want dates or language to be overly burdensome to any of our departments. Yet year after year, the actual spending of Capital improvement money is an issue. We cannot be re-purpose these appropriations easily. The law is clear on this. I am just asking that you carefully look at the language. I am also glad that I am not trying to write it. So thank you. Also, I most certainly understand that we are in the middle of a pandemic. It is a time for us to act with extraordinary kindness and understanding of each other. I referred to a particular department. That department is working diligently to find a way to educate our children. I am most grateful for the service of every school committee member and all the others who spent hours as part of GREAT. Whenever any construction work on any municipal building or other facility is authorized, the Planning and Construction Committee shall be responsible for all work in connection with the project including site planning, surveying, engineering studies, architectural plans and specifications and the supervision of construction.\*

\* As a member of Planning & Construction for the last 2 years I would like to suggest a possible edit to the Charter regarding this body. With the entire committee being volunteer, the last paragraph highlighted below should stand out as not quite what our city has been doing over the years since the implementation of this Charter. I would suggest “share in responsibility” or some other terminology to reflect the committee’s level of interaction on building projects. Rarely does our committee get past an advisory role in most of the City’s construction projects. It would be a shame for this body to get the blame for a project in trouble given our level of participation. (as submitted by John Andrews July 28, 2020)

(e) The commission shall review written complaints made by the public concerning:

The operation of the police and fire departments, and the conduct of employees of both departments.

All written complaints received shall be forwarded to the chief of the department to which they relate and the chief shall investigate or cause to be investigated said complaints and submit his findings and recommendations, in connection therewith, that he deems appropriate.

<sup>5</sup>Editor's Note: This subsection breakdown and title were added editorially at time of publication. Subsequent subsections were also redesignated accordingly.

\*Our country and our city are asking for change. The makeup of the board ... I am not sure on any of this but perhaps only one or two members at the most should have had a civil service job. How would you even write that we would like a diverse group? Young, old, different backgrounds (one member who worked in public safety before) I do not have answers. I think we need a diverse group. I believe that section D powers and duties needs to be adjusted also so that possibly complaints are also reviewed by this diverse committee. Good luck with this one. That may not even be legal with civil service regs . I read through most of the civil service law. It is so complicated. S 2800 on policing and qualified immunity just passed the MA senate. I believe we have wonderful police officers and a fabulous chief. I wish you the wisdom of Solomon on this. I believe this section needs new verbiage and I have no idea how exactly you should do this....but I trust you. And it matters. (as submitted by Councilor Desorgher August 5,2020.)

(c) *Ballot Position* - The order in which names of candidates appear on the ballot for each office shall be determined by a drawing, by lot, conducted by the City Clerk, which shall be open to the public.

(d) *Determination of Candidates* - The two (2) persons receiving at a preliminary election the highest number of votes for nomination for any office shall be the sole candidates for that office whose names shall be printed on the official ballots to be used at the regular general City election at which such office is to be voted upon, and no acceptance of a nomination shall be necessary to validate same. If two (2) or more persons are to be elected to the same office at such regular election, the several persons, in number equal to twice the number so to be elected, receiving at such preliminary election the highest number of votes for nomination for

that office shall be the sole candidates for that office whose names shall be printed on the official ballots.

If the preliminary election results in a tie vote among candidates for nomination receiving the lowest number of votes which, but for said tie vote, would entitle a person receiving the same to have their name printed on the official ballots for the election, all candidates participating in said tie vote shall have their names printed on the official ballots, although in consequence thereof there be printed on such ballots the names of candidates exceeding twice the number to be elected.

(e) *Condition Making Preliminary Unnecessary* - If at the expiration of time for filing statements of candidates to be voted upon at any preliminary election not more than twice as many such statements have been filed with the City Clerk for an office as candidates are to be elected to such office, the candidates whose statements have been filed with the City shall be deemed to have been nominated to such office, and their names shall be voted upon for such office at the succeeding general election, and the City Clerk shall not print their names on the ballots to be used at said preliminary election and no other nomination to such office shall be made. If in consequence it shall appear that no names are to be printed upon the official ballots to be used in any particular precinct or precincts of the City, no preliminary election shall be held in such precinct or precincts.\*

\*Language to be determined.

### SECTION 7-3: BALLOT POSITION

The order in which names of candidates appear on the ballot for each office at the preliminary and general election shall be determined by a drawing, by lot, conducted by the City Clerk which shall be open to the public.\*

\*Language to be determined.

### SECTION 7-4: PRECINCTS

The territory of the City shall be divided into nine (9) precincts so established as to consist of as nearly an equal number of inhabitants in each precinct as is possible, in compact and contiguous territory, bounded insofar as possible by the center line of known streets or ways or by other well-defined limits. The City Council shall from time to time, but at least once in each ten (10) years, review such precincts to insure their uniformity in number of inhabitants.

### SECTION 7-5: APPLICATION OF STATE GENERAL LAWS

Except as expressly provided in this Charter and authorized by law, all City Elections shall be governed by the General Laws of the commonwealth relating to the right to vote, the registration of voters, the nomination of candidates, the conduct of preliminary, general and special elections, the submission of Charters, Charter amendments and other propositions to the voters, the counting of votes, the recounting of votes, and the determination of results.

## SECTION 7-6: PETITIONS TO COUNCIL OR SCHOOL COMMITTEE

(a) *Individual Petitions, Action Discretionary* - The City Council and the School Committee shall receive all petitions, signed by one (1) or more voters, which are addressed to either of them and may, in their discretion, take such action in regard to each such petition as may be deemed necessary and advisable.

(b) *Group Petitions, Action Required* - The City Council or the School Committee shall hold a public hearing and act with respect to every petition which is addressed to it, which is signed by one hundred (100) voters, or more, and which seeks the passage of a measure. The hearing shall be held by the City Council or the School Committee, or, in either case, by a committee or subcommittee thereof, and the action by the City Council or the School Committee shall be taken not later than three (3) months after the petition is filed with the Clerk of the Council or the secretary of the School Committee as may be appropriate. Hearings on two (2) or more petitions filed under this section may be held on the same date and at the same time and place. The Clerk of the Council or the secretary of the School Committee shall mail notice of the hearing to the ten (10) persons whose names appear first on the petition at least forty-eight (48) hours before the hearing. Notice, by publication in a local newspaper not less than seven (7), nor more than fourteen (14) days prior to the date set for the public hearing, shall be at public expense.

## SECTION 7-7: CITIZEN INITIATIVE MEASURES

(a) *Commencement* - Initiative procedures shall be started by the filing of a proposed initiative petition with the City Clerk. The petition shall be addressed to the City Council or to the School Committee, shall contain a request for the passage of a particular measure which shall be set forth in full in the petition, and shall be signed by not less than ten (10) voters of the City. The petition shall be accompanied by an affidavit signed by five (5) voters and containing their residential address, stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form and shall indicate which member shall serve as clerk of the petitioners committee.

(b) *Referral to City Attorney* - The City Clerk shall, following receipt of each such proposed petition, deliver a copy of the petition to the City Attorney. The City Attorney shall, not later than ~~fifteen~~ **ten (10) working** days after receipt of a copy of the petition, in writing, advise the City Council or the School Committee, as may be appropriate, whether: (1) the measure as proposed may lawfully be proposed by the initiative process; (2) whether, in its present form it may be lawfully adopted by the City Council or the School Committee; and (3) whether the City Clerk ~~may~~ **shall** issue blank forms as provided pursuant paragraph 7-7 (c). If the opinion of the City Attorney is that the measure fails in any respect the reply shall state the reasons for

that opinion, in full. A copy of the opinion of the City Attorney shall also be mailed to the person designated as clerk of the petitioners committee.

(c) *Submission to City Clerk* - If the opinion of the City Attorney is that the petition is eligible pursuant to Section 7-7 (b), the City Clerk shall provide blank forms for the use of subsequent signers, and shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the City Attorney, together with the names and addresses of the first ten (10) voters who signed the originating petition. No later than ~~ninety (90)~~ **forty-five (45)** days following the date the blank forms are issued by the City Clerk, the petitions shall be returned and filed with the City Clerk signed by not less than ~~ten percent (10%)~~ **two and a half percent (2.5%)** of ~~the total number of all registered voters voting in as of the most recent biennial City Election, but not less than five percent (5%) of all registered voters on the same date.~~ Signatures to an initiative petition need not all be on one (1) paper, but all such papers pertaining to a measure shall be fastened together and filed as a single instrument, with the endorsement thereon of the name and residence address of the person designated as filing the same. With each signature on the petition there shall also appear the street and number of the residence of each signer.

Not later than ten (10) days after the filing of the petition, the Board of Registrars of Voters shall ascertain by what number of voters the petition has been signed, and what percentage that number is of the total number of **registered** voters as of the date of the most recent ~~regular~~ biennial City Election. The City Clerk shall attach to the petition a certificate showing the results of the City Clerk's examination and shall return the petition to the Clerk of the Council or the secretary of the School Committee according to how the petition is addressed. A copy of the Board of Registrars of Voters certificate shall also be mailed to the person designated as clerk of the petitioners committee.

(d) *Action on Petitions* – Not later than ~~sixty (60)~~ **thirty (30)** days after the date a petition is returned to the Clerk of the Council or the secretary of the School Committee by the City Clerk, and after publication in accordance with section 2-9(c), ~~the~~ City Council or the School Committee shall act with respect to each initiative petition by passing it without change, by passing a measure which is stated to be in lieu of the initiative measure or by rejecting it. The passage of a measure which is in lieu of an initiative measure shall be considered a rejection of the initiative measure. If the City Council or the School Committee fails to act with respect to any initiative measure which is presented to it not later than ~~sixty (60)~~ **thirty (30)** days after the date it is returned to it by the City Clerk, the measure shall be considered to have been rejected on the ~~60<sup>th</sup>~~ **30<sup>th</sup>** day. If an initiative measure is rejected, the City Clerk shall promptly give notice of that fact by certified mail to the person designated as clerk of the petitioners committee.

(e) ~~Supplementary Petitions~~ *Determination by the Voters* - ~~Not later than sixty (60) days after the date~~ If an initiative petition has been is rejected, a supplemental initiative petition may be filed with the City Clerk by the petitioner's committee as determined in section 7-7(a). The supplemental initiative petition shall be in the same form as the initial petition and signed by a number of additional voters, which is equal or greater than five percent (5%) of the total number of voters voting in the most recent regular biennial City Election, but not less than two and one half percent (2 ½ %) of all registered voters as of the same date. If the number of signatures to a supplemental petition is found to be sufficient by the City Clerk, the City Council shall call a special election to be held on a date fixed by it that is not less than one hundred and twenty (120) nor more than one hundred eighty (180) days after the date of the certificate of ~~and~~ the City Clerk *has certified* that a sufficient number of voters have signed the supplemental initiative petition, *the City Council* ~~and~~ shall submit the proposed measure, without alteration, to the voters for determination *at the next regular biennial city election, or at a special election*; provided, however, that if the next regular biennial City Election is to be held not later than one (1) year after the date of the certificate, the City Council may omit the calling of a special election and cause the question to appear on the election ballot at the approaching election for determination by the voters at that election.

(f) *Publication* - The full text of any initiative measure which is submitted to the voters shall be published in a local newspaper not less than seven (7) nor more than fourteen (14) days preceding the date of the election at which such question is to be voted upon. Additional copies of the full text shall be available for distribution to the public in the office of the City Clerk.

(g) *Form of Question* - The ballots used when voting on a measure proposed by the voters under this section shall contain a question in substantially the following form:

Shall the following measure, which was proposed by voters in an initiative petition, take effect?

(Here insert the full text of the proposed measure, or a fair, concise summary prepared by the petitioners committee, and approved by the City Attorney)

\_\_\_\_\_YES \_\_\_\_\_NO

(h) *Time of Taking Effect* - If a majority of the votes cast on the question is in the affirmative, the measure shall be deemed to be effective forthwith, unless a later date is specified in such measure; provided, however, that no such measure shall be deemed to be adopted if fewer than twenty percent (20%) of the total number of *registered* voters *as of the most recent biennial City election* have voted at the election at which the question has been voted upon.

## SECTION 7-8: CITIZEN REFERENDUM PROCEDURES

(a) *Petition Commencement, Effect on Final Vote* - If, ~~not later than~~ **within** thirty (30) days ~~after~~ **following** the date on which the City Council or the School Committee has voted **finally** to approve **of any measure**, a petition **signed by not less than ten (10) voters of the City**, and ~~which was addressed to the City Council or to the School Committee, as may be, and signed by a number of voters equal to ten percent (10 %) of the total number of voters voting in the most recent regular biennial City Election, but not less than two and one half percent (2 ½ %) of all registered voters as of the same date,~~ **is filed with the City Clerk**, ~~then the effective date of such measure shall be temporarily suspended. Final approval under this section shall not be complete until the time for all remedies pursuant to Section 3-7 has expired. The School Committee or the City Council shall reconsider its vote on the measure or any part thereof at the next regularly scheduled meeting of that body and, if the measure is not rescinded the City Council, shall provide for the submission of the question for a determination by the voters either at a special election which it may call at its convenience, or within such time as may be requested by the School Committee, or at the next regular City Election; provided, however, that pending such submission and determination, the effect of the measure shall continue to be suspended.~~ **The petition shall be accompanied by an affidavit signed by five (5) voters and containing their residential address, stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form and shall indicate which member shall serve as clerk of the petitioners committee.**

(b) *Certain Initiative Provisions to Apply* - The petition described in this section shall be termed a “referendum petition” and, ~~insofar as applicable, subsection (a) of section 7-7 describing the manner in which a petition is prepared and filed, subsection (b) of said section 7-7 providing for referral to the City Attorney for a legal opinion, subsection (f) of said section 7-7 providing for publication of the text of the measure and subsection (g) of said section 7-7 providing for the form of ballot questions~~ **subsections 7-7 (b) through (h) shall apply to the processing of** such referendum petitions, except that the words “measure or part thereof protested against” shall be deemed to replace the word “measure” in ~~said~~ **such** subsections ~~(a),(b),(f) and (g) of said section 7-7,~~ each time it appears, ~~and the word “referendum” shall be deemed to replace the word “initiative” in said subsections (a),(b),(f) and (g) of said section 7-7, each time it appears,~~ **and the words “referendum petition” shall be deemed to replace the word “petition” in said subsections each time it appears.**

(c) ~~If not placed before the voters at a regular biennial election, in order for the referendum to be binding upon the City, twenty five percent (25%) of the registered voters of the City shall vote on the measure or issue placed before the City by citizens' referendum procedure. Final approval under this section of any referendum petition shall not be complete until the time for all remedies pursuant to Section 3-7 has expired; provided further, that pending submission of~~

said referendum petition to the voters, and prior to final determination by said voters, the effect of the measure protested against shall continue to be suspended.\*

\*(as submitted by Al Norman June 26, 2020)

\*We have seen these need adjustment. In both instances, we are not in line with any of our nearby cities. I did not find one charter that mentioned the number of people who voted in a previous election. Who knows if we could have a ridiculously low voter turnout for obscure reason. I looked at the following cities to compare: Fitchburg, North Adams, Springfield, West Springfield, and East Longmeadow. They all have the same ineligible measures for referendum petitions, mostly because they are ineligible by state statute. For Citizen initiative measures, between five and 10 people compose the petition. The city attorney then reviews it. The average number of registered voters needed for citizen initiative measures is 10% of the registered voters (voters who were registered in last election) The range was 8 to 20%. At this point most councils then took a vote on the proposed matter. Some put it on a ballot. Not ONE city had requirements tied to how many people voted in a prior election. For referendum petition the requirement was higher. once again, not one city adopted a measure, that in anyway mentioned the number of people who actually voted in a prior election. Parameters all tied to number of registered voters. 12% of the registered voters were required in almost every city for a referendum petition (one that would undo what the city Council had just voted on). Springfield required 15% of the registered voters for a referendum position. Not one had less than 12%. Most limited the timeframe for referendum petitions to 20 days. At this point City Councils consistently reconsidered their vote, then moved the question to either a special election or added the question to next election. I firmly believe that we need to up that threshold to 12% for referendum and totally eliminate all language referring to the number of voters who actually voted “in the last biennial election” I think the point is that you either believe in a representative form of government or not. I want our citizens to be involved. But I believe that also needs to be tempered, so that a special interest group is not speaking for the whole city. There are so many people who never speak at a council meeting or write to us. We have an obligation to everyone. I believe that our thresholds need to be higher. 10% for Initiative; 12% referendum. (as submitted by Councilor Desorgher August 5, 2020.)

## SECTION 7-9: INELIGIBLE MEASURES

None of the following shall be subject to the initiative or the referendum procedures:

1. Proceedings relating to the internal organization or operation of the City Council or of the School Committee,
2. An emergency measure adopted in conformity with the Charter,
3. The City budget or the School Committee budget as a whole,

4. Revenue loan orders,
5. Any appropriation for the payment of the City's debt or debt service,
6. An appropriation of funds to implement a collective bargaining agreement,
7. Proceedings relating to the election, appointment, removal, discharge, employment, promotion, transfer, demotion, or other personnel action,
8. Any proceedings repealing or rescinding a measure or part thereof which is protested by referendum procedures, and
9. Any proceedings providing for the submission or referral to the voters at an election.

#### SECTION 7-10: SUBMISSION OF OTHER MATTERS TO VOTERS

The City Council may of its own motion, and shall at the request of the School Committee if a measure originates with that body and pertains to affairs under its jurisdiction, submit to the voters at any regular biennial City Election for adoption or rejection any measure in the same manner and with the same force and effect as are hereby provided for submission by petitions of voters unless they shall designate that the measure is non-binding.

#### SECTION 7-11: CONFLICTING PROVISIONS

If two (2) or more measures passed at the same election contain conflicting provisions, only the one receiving the greatest number of affirmative votes shall take effect.

#### SECTION 7-12: RECALL ELECTIONS

(a) *Application* - Any person holding an elected office may be recalled from such office by the voters in accordance with the procedures made available in this section.

(b) *Recall Petition* - Five hundred (500) or more voters may file with the Board of Registrars of Voters an affidavit containing the name of the elected at-large officer sought to be recalled and a statement of the grounds for recall. The signatures on such affidavit shall contain the names of at least twenty-five (25) voters in each of the precincts into which the City is divided for the purpose of elections. One hundred (100) or more voters may file with the Board of Registrars of Voters an affidavit containing the name of the individual precinct elected officer sought to be recalled and a statement for the grounds for recall.\*

\*At- Large - Precinct needs clarity (as discussed at the July 28, 2020 Charter Review Committee meeting.)

If the affidavit is found to be valid the City Clerk shall thereupon deliver to the first ten (10) persons named on said affidavit, petition blanks demanding said recall, printed forms of which shall be kept available. The blanks may be completed by printing or by typewriting; they shall be addressed to the City Council; they shall contain the names and residence addresses of the ten (10) persons to whom they are issued and they shall contain the grounds for recall as stated in the affidavit; they shall demand the election of a successor to the office; and they shall be dated and signed by the City Clerk.

The recall petitions shall be returned to the office of the Board of Registrars of Voters within twenty-one (21) days following the date they are issued, signed by not less than twenty percent (20%) of the total number of voters of the City as of the date of the most recent City Election.

The sheets constituting a petition need not all be filed at the same time. For the purposes of this section such a petition shall be deemed filed whenever the persons responsible for its filing notify the Board of Registrars of Voters, in writing, that the filing is complete. Before receiving such notice the Board of Registrars of Voters may, but shall not be required to, certify signatures on the sheets already filed.

The Board of Registrars of Voters shall not later than ten (10) days after the date the petition forms are filed certify both the number of signatures on the petition, which are the names of voters, and the percentage that number represents of the total number of voters voting and total number of voters registered as of the date of the most recent regular biennial City Election.

(c) *Recall Election* - If the petitions are certified by the Board of Registrars of Voters to contain a sufficient number of signatures, the City Clerk shall forthwith submit the petitions, with their certificate, to the City Council. Upon receipt of the certified petition forms, the City Council shall forthwith give written notice to the officer whose recall is sought of the validity of such petitions. If the officer whose recall is sought does not resign the office not later than five (5) days after delivery of that written notice, or after leaving that written notice at the officer's last known place of residence, the City Council shall, after consultation with the City Clerk and the Board of Registrars of Voters, order a special election to be held on a date not more than ninety (90) days after the date of its notice to the officer whose recall is sought.

(d) *Ballot Question* - Ballots used at the recall election shall state the proposition in substantially the following form:

Shall (insert name of officer) be recalled from the office of (fill in office)?

\_\_\_\_\_YES \_\_\_\_\_NO

(e) *Officeholder* - The person whose recall is sought shall continue to hold the office and to perform the duties until the recall election. If a majority of the votes cast on the question as stated above is in the affirmative, the officer shall be deemed to be recalled and the office shall be deemed to be vacant upon the certification of the election results. If a majority of the votes cast on the said question is in the negative the person whose recall was sought shall continue in the office until the expiration of the term for which elected, but subject to recall as provided in section (f), below.

(f) *Restriction on Recall Petition* - No recall petition shall be filed against any elected official until at least six (6) months following the commencement of a term of office, nor, in the case of any elected official subjected to a recall election and not recalled thereby, during the remainder of the current term of office. A recall election shall not be held if less than six (6) months of the term of office of any elected official remains at the time of the certification of the petition forms.

(g) *Filling of Vacancy* - If the office of Mayor is declared vacant as the result of a recall election the City Council shall forthwith call a special election to be held on a date fixed by it not less than sixty (60) nor more than ninety (90) days following the date of the recall election. The person elected at such special election shall serve for the balance of the unexpired term remaining at the time of election.

If a vacancy occurs in the office of City Council, or School Committee, it shall be filled in the manner provided (section 2-11, or section 4-6 respectively).

No person recalled from an office under the terms of this section shall be eligible to be a candidate to fill any vacancy created by such recall.

Hi Kathy,

At their February meeting the Trustees voted to pass along their recommendations for changes to the sections of the City Charter that apply to them. So, here goes (suggested changes are in red).

1. Recommendation to change text in section 6-12 (d) 2 to say: To make all reasonable rules and regulations for the operation and management of the library in consultation with the Mayor *and the Library Trustees*.

2. Recommendation to change text in section 6-12 2 (e) to say: ....Responsibility for the ordinary maintenance of library buildings and grounds *has been* transferred to a City Central Maintenance Department by ordinance adopted by City Council.

They voted on #2 before the City Council decided to move Central Maintenance under DPW, so the language in that paragraph may need to change even more.

Thanks!

Ellen

**MEMO**

**TO: Charter Commission**

**FROM: Mayor Roxann Wedegartner**

**CC:**

**DATE: 6/23/2020**

**RE: Comments and Changes to Article 3, Executive Branch of the Greenfield Charter**

I do not have a lot of changes that I would see as necessary to this section of the Charter. Here are my thoughts and suggestions.

- (a) Qualifications – Revise the second sentence to read: *Any registered voter and resident of the City of Greenfield shall be eligible to hold the office of Mayor.*

Rationale: The current language lacks necessary specificity. Under it you could have a voter from Montague, Deerfield, Orange...etc. It is essential that we be specific that it be a Greenfield resident. I also added “registered” to clarify that it’s not enough that you voted once upon a time in your life or that you are registered in another community (say Florida), you must be a registered Greenfield voter.

- (c) Compensation: Remove this sentence.

Rationale: I don’t think this belongs in the Charter at all, and certainly not with a specified amount. If you think it’s necessary to put in that it is a paid position, then more general language is important. It could say *The Mayor receives compensation commensurate with the position.* I will not belabor this recommendation with a discussion of what is an appropriate compensation for a Mayor.

This year the City Council removed the \$70K minimum from the Code. Frankly, I think you could simply change the title of (d) and make the language of (d) the language of (c).

All other sections under Article 3 as written are essential to governing all aspects of our city by the Mayor.

Subject: Background & Proposal to ReDraft Citizen Initiative Measures in the Greenfield Charter

To: David Singer, Chair, Charter Review Committee

Fr: Al Norman

Re: Charter Revisions to Citizen Initiative Measures

Date: 6/26/20

Attached please find a two-part memo I wrote last year to the Greenfield City Council, which I ask that you kindly share with all members of the Charter Committee, regarding the existing contextual problems resulting from the language changes made by the General Court to the city's citizen referendum procedures in the Charter, followed in the second part by a proposal rewriting the sections on citizen initiatives and citizen referendums to cure the confusion and conflicts created by the existing charter language.

The existing language is not only confusing, it is flawed, and needs redrafting.

I urge the Charter Review Committee to consider this language, and to draft a proposal that gives the citizens of Greenfield a clear, understandable, and simple process for filing citizen initiatives and citizen referendum petitions.

Maintaining the voters' right to petition local government through these sections is an expression of the most direct form of democracy---allowing the will of the people to be known. If the process is made too cumbersome or complicated, or requires an unreasonable level of required signatures, it will take that right away from the rank and file voter

We are a representative government. Elected officials should always encourage citizen initiative to ensure that actions taken by the Council actually have broad-based citizen support.

I will be happy to present this proposal whenever the Committee holds its public hearing. If your members have any questions in the interim, please do not hesitate to contact me.

I wish you all well in your work.

## I BACKGROUND OF CHARTER ISSUES WITH CITIZEN INITIATIVE MEASURES

Regarding the Charter sections governing Citizen Initiatives and Referenda, the current text printed in the charter is not consistent with City Council Order No. FY 17-028 (Citizen Initiative Measures) and Order No. FY 17-029 (Citizen Referendum Procedures), which were unanimously adopted on August 17, 2016. The Citizen Referendum Procedures, Order No. 17-028, was filed in the legislature as H. 4784, which correctly transcribed the City Council order—but the language was altered—apparently by unelected employees working within the Senate Counsel’s office—to produce an incoherent text for section 7-8(a) of the Charter.

The first paragraph of both the original language passed by the City Council, versus the language that was transcribed into Chapter 410 of the Acts of 2016, are shown below for comparison:

### **Section 7-8: CITIZEN REFERENDUM PROCEDURES AS ADOPTED BY THE CITY COUNCIL ON AUGUST 17, 2016, AND AS INCLUDED IN H. 4784:**

- a) *Petition, Effect on Final Vote*: If, within thirty (30) days following the date on which the **Town Council** or the School Committee **has voted finally to approve of any measure a petition** signed by a number of voters equal to ten percent (10%) of the total number of voters voting in the most recent regular biennial Town election, but no less than two and one half percent (2 ½%) of all registered voters as of the same date, and addressed to the Town Council or to the School Committee as may be, **protesting against the measure** or any part thereof is filed with the Town Clerk the effective date of such measure shall be temporarily suspended. Final approval under this section shall not be complete until the time for all remedies under section 3-7 are expired. The School Committee or the Town Council shall forthwith reconsider its vote on such **measure** or part thereof, and, if such **measure** is not rescinded the Town Council shall provide for the submission of the question for a determination by the voters either at a special election which it may call at its convenience, or within such time as may be requested by the School Committee, or at the next regular Town election, but pending such submission and determination the effect of such **measure** shall continue to be suspended. (emphasis supplied)

### **Section 7-8: CITIZEN REFERENDUM PROCEDURES AS ADOPTED IN CHAPTER 410 OF THE ACTS OF THE ACTS OF 2016 SIGNED ON JANUARY 3, 2017:**

- a) *Petition, Effect on Final Vote* - If, not later than thirty (30) days after the date on which the **Town Council** or the School Committee **has voted to approve a petition** which was addressed to the Town Council or to the School Committee and signed by a number of voters equal to ten percent of the total number of voters voting in the most recent regular biennial Town election, but not less than 2 ½ % of all registered voters as of the same date, the **petition** is filed with the Town Clerk, **protesting against the measure** or any part thereof then the effective date of such **measure** shall be temporarily suspended. Final approval under this section shall not be complete until the time for all remedies pursuant to Section 3-7 has expired. The School Committee or the Town Council **shall reconsider its vote on the measure** or any part thereof at the next regularly scheduled meeting of that body and, if the **measure** is not rescinded the Town Council, shall provide for the submission of the question for a determination by the voters either at a special election which it may call at its convenience, or within such time as may be requested by the School Committee, or at the next regular Town election; provided, however, that pending such submission and determination, the effect of the **measure** shall continue to be suspended. (emphasis added)

The second version as adopted by the General Court, is not only inconsistent with what the City Council adopted, but the process and its intent have become confused and disjointed.

For example: what do the words “the measure” refer to here:

“If, not later than thirty (30) days after the date on which the **Town Council** or the School Committee **has voted to approve a petition** ...the **petition** is filed with the Town Clerk, **protesting against the measure** or any part thereof then the effective date of such **measure** shall be temporarily suspended.

The process above begins with the City Council voting on a **petition**, which 30 days later is submitted to the City Clerk. This makes no sense. It is the Town Clerk who first reviews the petition, which formerly was presented to the Clerk within 30 days after a **measure** has been passed by the City Council. But in Ch.410, the **vote** of the City Council “**to approve of any measure**” has been deleted. Now the vote of the Council refers to “**to approve a petition,**” which throws the whole process into confusion. (emphasis added)

The other major problem with section **7-8(a)** as it exists now is that it makes little sense when combined with the provisions of section **7-8(b)**, which in turn links to several parts of section **7-7** which are to apply to citizen referenda. I will not delve into those problems here, but several referenda recently submitted under section **7-8(b)** of the Charter were rejected by the City Attorney who relied on section **7-8(a)**. The fact that two avenues exist to file a referendum has led to much unnecessary confusion. In April, 14 residents commenced two zoning referendum petitions under section 7-8(b), which were rejected citing 7-8(a). A similar library petition commenced under section 7-8(b) by more than 10 voters was also rejected.

The best course, in my opinion, is to rewrite sections 7-7 and 7-8 of the Charter so that citizens can use these two petition processes to clearly and in an understandable way submit either an initiative or a referendum when they wish to write a new ordinance or protest a vote of the City Council.

## II. PROPOSAL TO REDRAFT SECTIONS 7-7 AND 7-8 OF THE GREENFIELD CHARTER

### SECTION 7-7: CITIZEN INITIATIVE MEASURES

(a) *Commencement* - Initiative procedures shall be started by the filing of a proposed initiative petition with the City Clerk. The petition shall be addressed to the City Council or to the School Committee, shall contain a request for the passage of a particular measure which shall be set forth in full in the petition, and shall be signed by not less than ten (10) voters of the City. The petition shall be accompanied by an affidavit signed by five (5) voters and containing their residential address, stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form and shall indicate which member shall serve as clerk of the petitioners committee.

(b) *Referral to City Attorney* - The City Clerk shall, following receipt of each such proposed petition, deliver a copy of the petition to the City Attorney. The City Attorney shall, not later than ten working days after receipt of a copy of the petition, in writing, advise the City Council or the School Committee, as may be appropriate, whether: (1) the measure as proposed may lawfully be proposed by the initiative process; (2) whether, in its present form it may be lawfully adopted by the Town Council or the School Committee; and (3) whether the City Clerk shall issue blank forms as provided pursuant paragraph 7-7 (c). If the opinion of the City Attorney is that the measure fails in any respect, the reply shall state the reasons for that opinion, in full. A copy of the opinion of the City Attorney shall also be mailed to the person designated as clerk of the petitioners committee.

(c) *Submission to City Clerk* - If the opinion of the City Attorney is that the petition is eligible pursuant to Section 7-7 (b), the City Clerk shall provide blank forms for the use of subsequent signers, and shall print at the top of each blank a fair, concise summary of the proposed measure, as determined

by the City Attorney, together with the names and addresses of the first ten (10) voters who signed the originating petition. No later than forty-five (45) days following the date the blank forms are issued by the City Clerk, the petitions shall be returned and filed with the City Clerk signed by not less than two and a half percent (2.5%) of all registered voters as of the most recent biennial City election. Signatures to an initiative petition need not all be on one (1) paper, but all such papers pertaining to a measure shall be fastened together and filed as a single instrument, with the endorsement thereon of the name and residence address of the person designated as filing the same. With each signature on the petition there shall also appear the street and number of the residence of each signer.

Not later than ten (10) days after the filing of the petition, the Board of Registrars of Voters shall ascertain by what number of voters the petition has been signed, and what percentage that number is of the total number of registered voters as of the date of the most recent biennial City election. The City Clerk shall attach to the petition a certificate showing the results of the City Clerk's examination and shall return the petition to the Clerk of the Council or the secretary of the School Committee according to how the petition is addressed. A copy of the Board of Registrars of Voters certificate shall also be mailed to the person designated as Clerk of the petitioners committee.

(d) *Action on Petitions* – Not later than thirty (30) days after the date a petition is returned to the Clerk of the Council or the secretary of the School Committee by the City Clerk, and after publication in accordance with section 2-9(c), City Council or the School Committee shall act with respect to each initiative petition by passing it without change, by passing a measure which is stated to be in lieu of the initiative measure or by rejecting it. The passage of a measure which is in lieu of an initiative measure shall be considered a rejection of the initiative measure. If the City Council or the School Committee fails to act with respect to any initiative measure which is presented to it not later than thirty (30) days after the date it is returned to it by the City Clerk, the measure shall be considered to have been rejected on the 30th day. If an initiative measure is rejected, the City Clerk shall promptly give notice of that fact by certified mail to the person designated as Clerk of the petitioners committee.

(e) *Determination by the Voters* – If an initiative petition is rejected, and the City Clerk has certified that a sufficient number of voters have signed the initiative petition, the City Council shall submit the proposed measure, without alteration, to the voters for determination at the next regular biennial city election, or at a special election; provided, however, that if the next regular biennial City election is to be held not later than one (1) year after the date of the certificate, the City Council may omit the calling of a special election and cause the question to appear on the election ballot at the approaching election for determination by the voters at that election.

(f) *Publication* - The full text of any initiative measure which is submitted to the voters shall be published in a local newspaper not less than seven (7) nor more than fourteen (14) days preceding the date of the election at which such question is to be voted upon. Additional copies of the full text shall be available for distribution to the public in the office of the City Clerk.

(g) *Form of Question* - The ballots used when voting on a measure proposed by the voters under this section shall contain a question in substantially the following form:

Shall the following measure, which was proposed by voters in an initiative petition, take effect?

(Here insert the full text of the proposed measure, or a fair, concise summary prepared by the petitioners committee, and approved by the Town Attorney)

\_\_\_\_\_YES \_\_\_\_\_NO

(h) *Time of Taking Effect* - If a majority of the votes cast on the question is in the affirmative, the measure shall be deemed to be effective forthwith, unless a later date is specified in such measure; provided, however, that no such measure shall be deemed to be adopted if fewer than twenty percent (20%) of the total number of registered voters as of the most recent biennial City election have voted at the election at which the question has been voted upon.

## SECTION 7-8: CITIZEN REFERENDUM PROCEDURES

(a) *Petition Commencement, Effect on Final Vote* – If, within thirty (30) days following the date on which the City Council or the School Committee has voted finally to approve of any measure, a petition signed by not less than ten (10) voters of the City, and addressed to the City Council or to the School Committee, as may be, protesting against the measure or any part thereof is filed with the City Clerk, the effective date of such measure shall be temporarily suspended. The petition shall be accompanied by an affidavit signed by five (5) voters and containing their residential address, stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form and shall indicate which member shall serve as clerk of the petitioners committee.

(b) *Certain Initiative Provisions to Apply* - The petition described in this section shall be termed a “referendum petition” and subsections 7-7 (b) through (h) shall apply to the processing of such referendum petition, except that the words “measure or part thereof protested against” shall be deemed to replace the word “measure” in such subsections each time it appears, the word “referendum” shall be deemed to replace the word “initiative” in said subsections each time it appears, and the words “referendum petition” shall be deemed to replace the word “petition” in said subsections each time it appears.

(c) Final approval under this section of any referendum petition shall not be complete until the time for all remedies pursuant to Section 3-7 has expired; provided further, that pending submission of said referendum petition to the voters, and prior to final determination by said voters, the effect of the measure protested against shall continue to be suspended.

Committee members,

As a member of Planning & Construction for the last 2 years I would like to suggest a possible edit to the Charter regarding this body. With the entire committee being volunteer, the last paragraph highlighted below should stand out as not quite what our city has been doing over the years since the implementation of this Charter. I would suggest "share in responsibility" or some other terminology to reflect the committee's level of interaction on building projects. Rarely does our committee get past an advisory role in most of the City's construction projects. It would be a shame for this body to get the blame for a project in trouble given our level of participation. Thank you, John Andrews

## **TOWN OF GREENFIELD CHARTER**

### **SECTION 6-7: PLANNING AND CONSTRUCTION OF MUNICIPAL BUILDINGS AND OTHER FACILITIES**

(a) Compensation, Mode of Appointment and Term of Office - There shall be a Planning and Construction Committee (which may be referred to as the "Planning and Construction Committee") consisting of seven (7) members. Six (6) of the committee members shall be appointed by the Mayor for terms of three (3) years each so arranged that the term of two (2) members shall expire each year. In making appointments to the committee, the Mayor shall seek persons having experience in the fields of architecture, engineering, construction, real estate, or law. The seventh member of the committee shall be designated, annually, by the School Committee and may, be a member of the School Committee.

(b) Powers and Duties - The Planning and Construction Committee shall be responsible for monitoring the physical condition of all municipal buildings and other facilities. The committee shall meet from time to time with representatives of municipal agencies to evaluate the need for additions, renovations, or remodeling of any existing building or facility or for the construction of new buildings or other facilities. # Charter Review Commission members,

## 2020 Charter Review Committee

to 2020charterreviewcommittee

Charter Review Commission members,

First and foremost thank you for your volunteer service to the community.

I was unable to find your address on the town website. So I am just sending my concerns today.

### SECTION 2-1

Thirteen councilors is high compared to other cities. I am a precinct councilor, so you would need to weigh whether my opinion is biased. Change is accepted best if done in steps. I looked at every city in MA. Nine and eleven were by far the most common numbers for city Councilor's. These numbers did not seem dependent on population. I would decrease to eleven. Two at large and nine precinct. The precinct lines will need redrawing after we finish our "accurate" hurried, online census. Ok I'm mad it was unfairly pushed back to end 9/30/20

### SECTION 5-2

School Committee Budget. You are the experts on wording. The budget for the past few years has not been seen by the school committee prior to public printing. This year a budget committee was reinstated. To the best of my understanding, they are still not seeing the budget. Ways and means and city Council will probably never see this year's budget in full until we begin the budget process for fiscal year 2022. I do not know if it is possible for a change in language to the section so that oversight, at the very least, by all the school committee members is mandated. The SC budget subcommittee does not report its budget to entire school committee prior to submission. I ask that you might adjust language concerning this.

### SECTION 5-10

Capital improvement program

It is my understanding that we have not received a capital plan from one department for several years. A capital request is sent to council but this department has not been submitting five-year long-term plan. This is HEARSAY and I have not attended any capital improvement meetings as I do not serve on this committee. I do know factually that no supporting information was submitted to ways and means this year, ahead of time by this particular department .

Perhaps something like no capital improvements will be granted without accompanying explanations and long term plan.

Moreover on SECTION 5 -10, I am quite concerned about the procedure in general. Request are submitted to ways and means and then approved (or not) by City Council. First a temporary BAN is done, then the city bonds for the money.

Is there a way, we could stipulate that RFP must be done by a certain date... or some other language. You all have superior writing skills. IMHO, this section needs tightening. As an example, we approved a heating system for over \$500,000. No RFP was sent and we have bonded for money. This appropriation was pre COVID 19. Money was approved January for this project. RFP date is questionable.

Children may not return to school in September. We approved capital expenditure for fence and parking lot paving at Newton school. It is a dangerous disgrace.

All paving needs to be done before it gets cold.

Might you be able to insert language concerning follow up time frames and RFPs, so that our town is not bonding for money within a tax year that we will not use. I do know this is an impossibly difficult year.

My language here could be clearer.... but I hope you see the intent. I do not want dates or language

to be overly burdensome to any of our departments. Yet year after year, the actual spending of Capital improvement money is an issue. We cannot re-purpose these appropriations easily. The law is clear on this. I am just asking that you carefully look at the language. I am also glad that I am not trying to write it. So thank you.

Also, I most certainly understand that we are in the middle of a pandemic. It is a time for us to act with extraordinary kindness and understanding of each other. I referred to a particular department. That department is working diligently to find a way to educate our children. I am most grateful for the service of every school committee member and all the others who spent hours as part of GREAT.

#### SECTION 6-11

##### Public safety commission

Our country and our city are asking for change. The makeup of the board ... I am not sure on any of this but perhaps only one or two members at the most should have had a civil service job. How would you even write that we would like a diverse group? Young, old, different backgrounds (one member who worked in public safety before) I do not have answers. I think we need a diverse group. I believe that section D powers and duties needs to be adjusted also so that possibly complaints are also reviewed by this diverse committee. Good luck with this one. That may not even be legal with civil service regs. I read through most of the civil service law. It is so complicated.

S 2800 on policing and qualified immunity just passed the MA senate. I believe we have wonderful police officers and a fabulous chief. I wish you the wisdom of Solomon on this. I believe this section needs new verbiage and I have no idea how exactly you should do this....but I trust you. And it matters.

#### SECTION 6-14

##### Board of Assessors elected officials

I implore you to insert language that the two elected officials cannot have a job/ work in a field which by its very nature has inherent conflict of interest. This may be one of the most important language changes that needs to be made in the charter. I would insert one year from the day charter change occurs (regardless of when elected)

#### SECTIONS 7-7&7-8

We have seen these need adjustment. In both instances, we are not in line with any of our nearby cities. I did not find one charter that mentioned the number of people who voted in a previous election. Who knows if we could have a ridiculously low voter turnout for obscure reason. I looked at the following cities to compare: Fitchburg, North Adams, Springfield, West Springfield, and East Longmeadow. They all have the same ineligible measures for referendum petitions, mostly because they are ineligible by state statute. For Citizen initiative measures, between five and 10 people compose the petition. The city attorney then reviews it. The average number of registered voters needed for citizen initiative measures is 10% of the registered voters (voters who were registered in last election) The range was 8 to 20%. At this point most councils then took a vote on the proposed matter. Some put it on a ballot. Not ONE city had requirements tied to how many people voted in a prior election.

For referendum petition the requirement was higher. once again, not one city adopted a measure, that in anyway mentioned the number of people who actually voted in a prior election. Parameters all tied to number of registered voters.

12% of the registered voters were required in almost every city for a referendum petition (one that would undo what the city Council had just voted on). Springfield required 15% of the registered voters for a referendum position. Not one had less than 12%. Most limited the timeframe for referendum petitions to 20 days. At this point City Councils consistently reconsidered their vote, then moved the question to either a special election or added the question to next election.

I firmly believe that we need to up that threshold to 12% for referendum and totally eliminate all language referring to the number of voters who actually voted "in the last biennial election"

I think the point is that you either believe in a representative form of government or not. I want our citizens to be involved. But I believe that also needs to be tempered, so that a special interest group is not speaking for the whole city.

There are so many people who never speak at a council meeting or write to us. We have an obligation to everyone. I believe that our thresholds need to be higher. 10% for Initiative; 12% referendum.

Thank you for reading to the end and all for your work

I think you all wanted citizen input. If you didn't, you certainly got far too much from me.

# Mayor's Task Force Against Domestic Violence

September 9, 2020

## Councilor Wheeler

to 2020, Mary, Roxann, Mark

Chairman Singer and fellow committee members,

On behalf of the Mayor's Task Force Against Domestic Violence, please see the following recommended language changes, as voted by the task force. Changes in bold.

(NB there is a recommended change to the name of the committee.)

§6-24 Mayor's Task Force Against Domestic **and Sexual** Violence

(a) There shall be a Mayor's Task Force Against Domestic **and Sexual** Violence to advise the Mayor with regard to the formation of public policy, **public education and outreach** on domestic **and sexual** violence. The task force shall consist of seven members, three of whom shall be appointed by the Mayor with review by the Town Council as provided in Section 2-10, and four of whom shall be appointed as provided in Subsection (c), **and two alternate members appointed by the Mayor as above.**

**Alternate members shall sit on the committee in case of the absence, inability to act or apparent conflict of interest on the part of any committee member, or as part of a regularly scheduled rotation among the regular members.**

(b) In making the mayoral appointments, the Mayor shall seek persons who are: (i) experienced in the field of youth services; (ii) members of women's and men's advocacy groups; (iii) mental health providers; (iv) probation officers in the district or superior court system; and (v) medical professionals on the staff at the Franklin Medical Center. The three members **and two alternate members** to be appointed by the Mayor shall serve for terms of three years.

# Section 2-6 and 3-6 Special Meetings-Written Notice

September 14, 2020

**Councilor Wheeler**

to 2020

Dear committee members,

Please consider making recommendations upon the following change(s) in Charter §2-6 and 3-6. Forgive me for submitting them at the final hour.

## Article 2 Legislative Branch

### SECTION 2-6 Exercise of powers; quorum; rules.

#### (c)

Rules of procedure. The Town Council shall from time to time adopt rules regulating its procedures, which shall be in addition to the following:

#### 2.

Special meetings of the Town Council shall be held at the call of the Council President, or, on the call of any five or more members, by written notice delivered in hand or to the place of residence of each member and which contains a listing of the items to be acted upon. Except in case of an emergency, of which the Council President shall be judge, such notice shall be delivered at least 48 hours in advance of the time set for such meeting. A copy of the notice to members shall, forthwith, be posted upon the Town bulletin board.

Comment: The clerk's office finds the requirement to hand deliver special meeting notices onerous and outdated. (Each councilor is provided with their own email address and ChromeBook when they take office.) I recommend striking clause (c) 2 above and replacing it with the following:

Special meetings of the Town Council shall be held at the call of the Council President or at the call of any five or more members, for any purpose. Notice of the meeting shall be delivered to each member and shall specify the date, time and location of the meeting and list the items to be acted upon. Except in case of an emergency, of which the Council President shall be judge, such notice shall be delivered at least 48 hours in advance of the time set for such meeting. A copy of the notice to members shall be posted forthwith.

Article 3 contains similar language, and I would recommend simplifying it as well.

### **Article 3 Executive Branch**

#### SECTION 3-6**Communications; special meetings.**

##### **(b)**

Special meetings of the Town Council. The Mayor may at any time call a special meeting of the Town Council, for any purpose, by causing a notice of such meeting to be delivered ~~in hand or to the place of business or residence of~~ to each member of the Town Council. Such notice shall, except in an emergency of which the Mayor shall be the sole judge, be delivered at least 48 weekday hours in advance of the time set and shall specify the purpose or purposes for which the meeting is to be held. A copy of each such notice shall, forthwith, be posted on the Town bulletin board.

Thank you,

Hi all,

I have attached the comparison of the petition provisions for Greenfield, Easthampton, West Springfield, Northampton, Pittsfield, and Westfield.

Also, here is Section 7-9 of the Charter, with number 3 addressing the question of whether an initiative petition can concern the budget.

#### SECTION 7-9: INELIGIBLE MEASURES

1. Proceedings relating to the internal organization or operation of the City Council or of the School Committee,
2. An emergency measure adopted in conformity with the Charter,
3. The City budget or the School Committee budget as a whole,
4. Revenue loan orders,
5. Any appropriation for the payment of the City's debt or debt service,
6. An appropriation of funds to implement a collective bargaining agreement,
7. Proceedings relating to the election, appointment, removal, discharge, employment, promotion, transfer, demotion, or other personnel action,
8. Any proceedings repealing or rescinding a measure or part thereof which is protested by referendum procedures, and
9. Any proceedings providing for the submission or referral to the voters at an election.

to Roxann, Dani, Marsha, me, Kathy

Good Morning

Attached are the most recent COA ByLaws. The notable change relevant to the Charter is a **reduction of COA members from 15 maximum to 11 maximum.**

The COA had ongoing vacancies for several years and they feel that keeping the max at 11 still allows for a productive group.

The other updates are related to the switch from Town to City.

Thank you,  
Hope

## **Article 1. Name of Organization**

The organization, as established by Town Meeting of the Town of Greenfield, Massachusetts on March 18, 1967, is named Greenfield Council on Aging and hereinafter referred to as the GCOA.

## **Article 2. Statement of Purpose**

Seniors have the right to participate in determining matters which vitally affect their own well-being. Our community shares a collective responsibility for seniors. The wisdom, experience, creativity, skills, and abilities of the senior population are an essential community resource. The Senior Center is a gateway to productive aging. To that end, the GCOA is committed to the following:

**A.** Provide, through our Senior Center, an environment that supports personal dignity, encouragement of initiative and self-fulfillment, opportunities for sharing, creative expression, learning and fun.

**B.** Provide meaningful creative, educational, social, recreational, cultural, and volunteer opportunities to encourage independence, participation, and community involvement.

**C.** Provide healthy lifestyle support through health promotion, health education, physical activities, and other wellness programs.

**D.** Be responsive to the changing needs of seniors; working in cooperation with community organizations, agencies and individuals to offer assistance in coping with the challenges of aging by providing information, referrals, and counseling to seniors and their caregivers.

## **Article 3. Location**

The location of the Senior Center will be determined by the GCOA. The COA will submit comments and recommendations regarding any options being considered by the city government or City Council.

## **Article 4. Membership**

The duties of the GCOA members shall be to support the GCOA Director in implementing the Statement of Purpose.

The GCOA consists of a minimum of five (5) and maximum of eleven (11) members, including the Chair. All members must reside in the City of Greenfield.

Appointments to the GCOA are made by the Mayor and must be approved by City Council. Members must meet CORI requirements, and participate in trainings on Open Meeting Law, Conflict of Interest (sometimes referred to as the ethics training), and other trainings as requested. Members must log their meeting attendance and other GCOA volunteer hours using the MySeniorCenter™ data management system.

#### **A. Terms of Service**

The term of service for a GCOA member is a period of three (3) years and may be renewed by the Mayor. Member terms are staggered to ensure that some positions are up for reappointment each year. All GCOA members must be sworn-in by the City Clerk's Office.

#### **B. Attendance and Participation**

Regular meeting attendance is expected of all GCOA members. Absences must be reported in advance to the Chair or the GCOA Director. It is understood that on occasion, personal matters may require a GCOA member to be absent from meetings. However, when a GCOA member is absent from three (3) consecutive regularly scheduled meetings without notification, they may be asked to submit their resignation. Ongoing absenteeism issues which adversely affect the function of the group will be referred by the Chair or GCOA Director to the Mayor.

#### **C. Resignations**

In the event that a member cannot serve or wishes to resign from the GCOA before their term of service is complete, s/he will provide written notification to the Mayor and the GCOA.

**D. Vacancies** In the case of a mid-year vacancy due to resignation, death, moving out of Greenfield, or other reason, the unexpired term may be filled at the time of vacancy through the regular appointment process. The new member serves out the remainder of that term.

### **Article 5. Voting Rights of Members**

A GCOA member is entitled to vote at GCOA meetings after being sworn-in by the City Clerk's Office. Members must be present to vote. A quorum is defined as a simple majority: more than half of the membership of the Council at any Council meeting. A quorum must be present to conduct business (vote) on any matter. The exception is for Bylaws changes, which require at least a two-thirds majority of the Council for approval.

### **Article 6. Officers, Elections, and Terms of Office**

Officers of the GCOA: Chair, Vice-Chair, Secretary, and Treasurer. Officers may also include such number of Assistant Secretaries and Assistant Treasurers as the GCOA may deem advisable. Officers of the GCOA are elected annually by a simple majority vote at the June meeting and shall assume office July 1. Officers serve for one fiscal year, July 1 – June 30, and may be voted in again through the regular election process. Members of Greenfield Senior Foundation board of directors are not eligible to serve as an officer of the GCOA.

### **A. Chair**

The Chair presides at GCOA meetings, appoints all Committees, and is an ex officio member of all Committees. The Chair works closely with the GCOA Director. The Chair's signature is required on some documents, for example the Executive Office of Elder Affairs Formula Grant application.

### **B. Vice-Chair**

During the temporary absence or disability of the Chair, the Vice-Chair serves as Chair and when so acting, shall have all the powers of the Chair. If the office of the Chair should become vacant, the Vice-Chair will assume such office for the rest of the fiscal year. In the case of vacancy, should the Vice Chair need to assume the office of the Chair before January 1, the GCOA Nominating Committee may choose to call for an election.

### **C. Secretary**

The Secretary reads GCOA correspondence. The Secretary, or designated recording clerk, shall record proceedings of the GCOA meetings.

### **D. Treasurer**

The Treasurer counts petty cash monthly as well as reviewing income, expenditures, and finance reports. The Treasurer reports to the GCOA on financial matters.

### **E. Relationship of GCOA to the Director**

The GCOA reviews candidates for the Director of the Council on Aging position as recommended by the COA Personnel Committee. The candidate is then submitted to the Mayor. The Director is responsible for the administration of the Senior Center including supervision of employees, subject to the direction of the Mayor, and in accordance with GCOA Bylaws and the personnel policies, procedures, and practices of the City as administered by the Department of Human Resources.

## **Article 7. Committees**

Each GCOA member is encouraged to serve on at least one committee. Members may serve on more than one committee. All committees report on their meetings at the next GCOA meeting. Additional committees may be established as deemed necessary by the GCOA through the Chair and the Executive Committee. Standing committees of the GCOA will include:

### **A. Executive Committee**

The committee meets monthly with the Director to determine the upcoming GCOA meeting agenda, review long-range planning, annual budget, departmental financial records, and other matters. The Chair may call additional meetings of the Executive Committee whenever in her/his judgment the business of the GCOA so requires. In case of an emergency the Executive Committee may make decisions on behalf of the GCOA.

### **B. Personnel Committee**

The committee reviews candidates to serve as Director under the direction of the City of Greenfield's Human Resources Department and makes recommendations to the GCOA.

### **C. Nominating Committee**

The committee recruits new members and refers them to the Mayor's office on an ongoing basis, or as needed. The Committee selects a slate of officers to present to the GCOA at the June meeting.

### **D. Legislative Committee**

The committee monitors the local, state and federal developments as they affect the senior population. The committee works with the Director to contact legislators and other officials to advocate for seniors on behalf of the GCOA.

### **E. By-Laws Committee**

The committee reviews the GCOA by-laws upon request of any GCOA member, with a majority vote of the GCOA membership.

## **Article 8. Meetings**

All GCOA meetings and committee meetings are posted in accordance with Massachusetts Open Meeting Law. All meetings are open to the public.

### **A. Regular Meetings**

Regular meetings of the GCOA are held at the Senior Center. Meetings are generally held monthly. However the GCOA may decide from time to time to cancel their regular meeting, for example in the case of a holiday.

### **B. Special Meetings**

Special meetings of the GCOA may be called at any time by the Chair or by the Secretary.

### **C. Rules of Order**

Meetings will be conducted so as to facilitate productive discussion amongst members in a respectful, civil, and orderly manner. Robert's Rules of Order, Revised is used as a general guideline for meetings. Members of the public may speak at the discretion of the Chair.

## **Article 9. Amendments and Revisions**

These Bylaws, or any section thereof, may be amended, revised or repealed by a two-thirds majority vote of the GCOA membership at any scheduled meeting. Written notice of proposed changes will be presented to each voting member of the GCOA at least ten (10) calendar days prior to the meeting at which such proposed changes are submitted for a vote.

**Article 10. Effective Date**

Bylaws changes take effect immediately upon approval with affirmative vote of not less than a two-thirds majority of members.

The GCOA will make copies of these Bylaws available to each member of the GCOA, the Mayor's office and the City Clerk's office.
